Mission

Sustainable Silicon Valley (SSV) is dedicated to creating collaborative solutions to the toughest sustainability challenges in the Bay Area.

Vision

SSV envisions a **Net Positive Bay Area** where we:

- Produce more renewable energy than we consume
- Capture more carbon than we emit
- Optimize water resources to ensure water resilience

Rains to Bay Origin Story

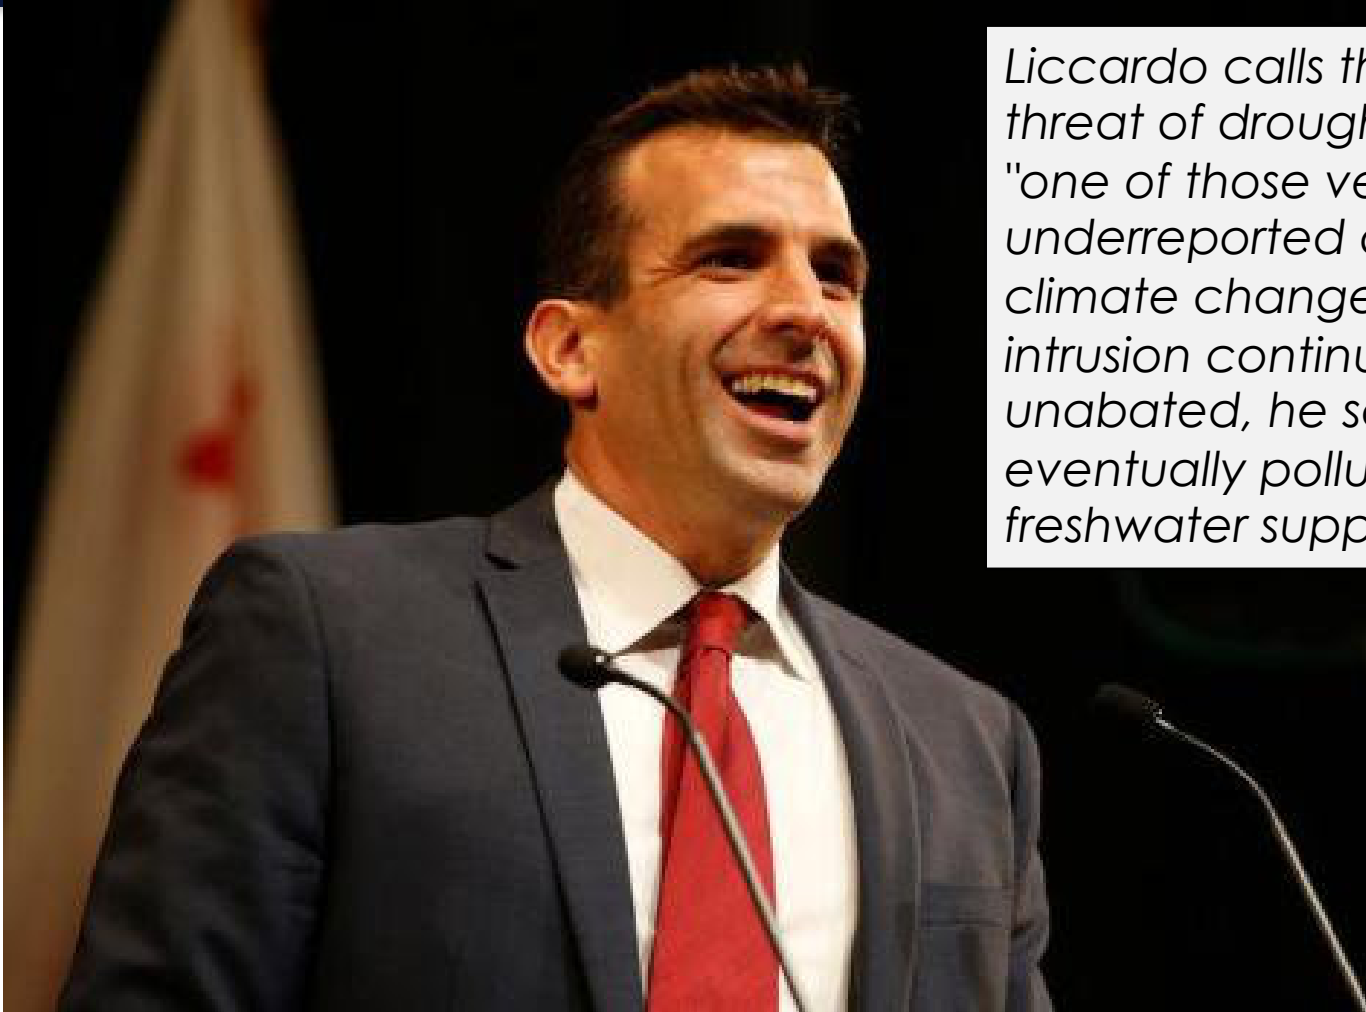

Rains to Bay Supervisor Dave Pine

SUPER SUPERVISOR

Rains to Bay Mayor Sam Liccardo

Liccardo calls the combined threat of droughts and floods "one of those very serious but underreported challenges of climate change." If saltwater intrusion continues unabated, he said, it could eventually pollute the freshwater supplies...
